Valmichael,
Harris County is looking for any missing inspection reports; do you know if there were any others than the ones she already has?
Thanks,

Hello Gary,

After review of the attached reports and those received from Valmichael, it appears that there are two that are indicated in the reports as the "next quarterly inspection date" but I have not received yet (9/2012 and 5/2014). Likewise there is no report for the last quarter of 2014 (9/2014??). If there reports are available, I would like to include them in my review.

Insp Date Report date

9/2012 ???

1/24/13 1/28/13

9/25/13 9/30/13

1/30/14 2/5/14

5/2014 ???

9/2014 ???

1/2015 5/4/15

4/2015 5/4/15

7/2015 8/14/15

Also you indicated in our last CAC meeting that the reports would be placed on the EPA's website.
Are these available now or will they soon be made available via the website?

Thank you,

Hello Valmichael,

As indicated in a brief phone conversation, I would like to request the link to the location where I can find the SJRWP Cap Inspection reports. If there is not a link, would you please provide me with a copy of them.

Thank you,

Latrice
